

‘I Wish.....’

Discuss the wishes below with your partner

- I wish I had started studying English when I was much younger
- I wish I had the power to end poverty
- I wish my friend wouldn't turn up late all the time
- I wish I was more self-confident
- I wish people wouldn't park in the disabled spaces at supermarkets
- I wish my friends wouldn't use social media when we hang out
- I wish people wouldn't use their mobile phones while driving

Work with your partner.
Can you guess what the story is about?

Make sentences with 'wish' from the following:

Sara is a lawyer but isn't **motivated by** her work anymore.

Davide is **fed up with** his studies and wants to travel the world.

The bus is always **crowded with** people at rush hour.

Simone was **rude to** the shop assistant and now regrets it.

Lara is sorry she got so **furious with** the hotel receptionist.

Michaela is sorry she **indulged in** so much fast food last night.

Jan is **hopeless at** mathematical equations.

Francesca is **terrified of** speaking in public.

Sergio is **ashamed of** himself for stealing from his friend.

Irene would love to be **famous for** her skills as a writer.

WISH LIST

1. I wish I was....
2. I wish I had....
3. I wish people wouldn't...
